## HEALING HEARTS WITH HORSES AND HOSPICE DOGS

LCAR is a multi purpose rescue facility. Our programs focus on abused neglected equine, hospice dogs, and community individuals with different disability issues. (1) Our rescued equine come from law enforcement seizures or volunteer surrenders. We do not buy or sell the animals and have strict adoption applications, the goal is to find the right forever home and not move them from one bad situation to another. Ones not adoptable, because of age, condition, or health become, life residents. We have worked with 7 counties in Oregon

and helped on over 250 seizures. (2) We work with Linn County Animal Control for the hospice dogs, usually old and not adoptable, The County has no place to care for them, they are the throw aways. At LCAR they are offered love, care, a warm comfortable place to spend the rest of their life. No one should have to die cold and alone. (3) Our community programs involve using these wonderful animals for therapy. Working with Linn County Mental Health we offer programs for the developmentally disabled, those suffering Post

Sampson loves the attention

Traumatic Stress Disorder, cancer, chronic pain and other social handicaps. Cindy Orr is a Certified Peer Support Specialist eligible to work in Addiction and Mental Health Recovery.

LCAR is looking forward to a bright and productive year in 2019. With several projects currently in the works: walls for the outside of the arena, inside dog room, plus outside dog kennels and runs. Its a great start to a new year.

## **POINTS 4 PROFIT**

Points 4 Profit is a local networking organization that has local businesses that are members. These businesses pay a fee to P4P for advertising and to get people to shop their business through networking, word of mouth. Most of the businesses are local and are services some of us use. ALL WE HAVE TO DO IS TURN IN RECEIPTS TO

LCAR, contact Laurie [smousehouse@casco.net](mailto:smousehouse@casco.net) for businesses to collect receipts from. The nonprofits that have the most receipts at the end of the year 2019 (along with other requirements) compete for monies, which as we know LCAR(Linn County Animal Rescue) can always use. Which helps with programs and providing a better life for the rescued animals.

Winter is a rough time for the older animals. They need extra feed and care. It is hard for them to stay warm. We have blankets for both the dogs and horses, but are always in need of replacements. They tend to get ripped (especially horses) or just plain wear out. Any

donation of horse or dog winter wear would be greatly appreciated.

## **BARENBRUG USA**

LCAR is honored to be working with Barenbrug USA on a dog kennel project. With their financial and volunteer help we will be able to offer the hospice dogs a safe, comfortable, outdoor space. We are so excited about this project and the involvement of Barenbrug and their employees. Thank You so much!

## **ANIMAL / HUMAN INTERACTION**

SOMETIMES THE SMALLEST THINGS ARE SO IMPORTANT TO A JOYFUL LIFE. A SIMPLE ACT TO HELP OTHERS (PEOPLE OR ANIMALS) GIVES HAPPINESS TO BOTH GIVER AND RECEIVER. WE ARE SO BLESSED AT LCAR TO BE PART OF THE JOY OF GIVING.

GIVE WITH A KIND HEART TO THE CHARITIES OF YOUR CHOICE. NON PROFITS LIKE LCAR DEPEND ON YOUR DONATIONS TO CONTINUE TO GIVE CARE AND SUPPORT. THANK YOU!
