

LINN COUNTY ANIMAL RESCUE AND SANCTUARY

Job 12-7

Ask the animals and they will teach you—

LOOKING FORWARD TO 2021

WE ALL KNOW HOW 2020 AFFECTED EVERYONE. FUNDRAISING EVENTS WERE CANCELLED WHICH REALLY CAUSED PROBLEMS FOR NON-PROFITS. HOPEFULLY THIS YEAR WILL BE KINDER TO THE RESCUES AND SHELTERS THAT WORK SO HARD TO ALLEVIATE THE PAIN AND DESTRUCTION CAUSED BY HUMAN CRUELTY. ANIMAL ABUSE AND NEGLECT ARE AGAINST THE LAW.

Volunteers are the heart blood of any non-profit. At this time we would like to celebrate the hard work and dedication of a very special person. Lianne Dyche has contributed many hours of labor working in the area and helping with the programs. She has shared lots of information to help us set up new programs and was the volunteer coordinator. As a board member for over a year,

Lianne spent many hours perfecting a volunteer system we could work with. It has been such a pleasure working with her and we are sad to see her go. Lianne we wish you good luck on your new endeavor. We will miss you.

LCAR is a 501c3 100% volunteer managed and 100% donation, grant funded. 100%

goes to the care of the animals and improvement of the facility.

Legacy gifts: Major Gifts

are a great way to give a tremendous caring donation to your favorite non-profit. They can be set up in wills, estates, trusts, stocks, or a set time arranged donation direct from your bank. Please consider this special donation(s) for the animals at Linn County Animal Rescue.

STUMP PROJECT

LAST YEAR WE STARTED A PROJECT WE CALLED STUMP REMOVAL. THE LOWER PASTURE HAD A LARGE NUMBER OF STUMPS LEFT FROM LOGGING YEARS

AGO. THE PURPOSE WAS TO HAVE ADDITIONAL PASTURE FOR THE HORSES. WE WERE ABLE TO START ON THE PROJECT ABOUT 2 MONTHS AGO; WITH THE USE OF AN EXCAVATOR AND EXPERIENCED OPERATOR WE HAVE REMOVED OVER 150 STUMPS. THE CLEANUP WILL INCLUDE SEVERAL BURN PILES, LOTS OF FILLING HOLES, AND SMOOTHING THE GROUND. THIS IS A LONG TIME COMING AND WE ARE SO EXCITED TO SEE THE PROGRESS. THANKS TO EVERYONE FOR THE DONATIONS.

WOW 2020 was quite a year, lots of struggles and nothing is normal; except the animals, they are the same. Each day is a special gift to them, a gift of life. Each animal has their own horror story of what happened to them and the reason they are here. Gunner is a "throw a way" Thoroughbred race horse. But for us he is great at working with the individuals who come for PTSD and developmentally disabled programs. Several of our horses work with the human interaction, so proud of them. Sadie, on the other hand, is still shy of human interaction. She spent several years under terrible abuse, and finds it hard to trust. So many of the animals have physical scars from abuse, but the ones hard to treat are the scars you can't see.

EVENTS shut down for another several months
