## Exciting times at LCAR!

- We've been very busy with Points for Profit and BottleDrop thanks to everyone who's been participating.
- Our dedicated volunteers have been hard at work on various projects including moving hay, putting up corral panels and updating the old barn.
- Additional ongoing projects include building a drain-field between the two barns, fence repair and finishing the roof on the outside dog area to name a few.
- If you can help with any of the project needs, please let us know. All efforts are deeply appreciated.

This year's Christmas horse, Roman.

## Merry Christmas from LCAR!

Merry Christmas from the animals and volunteers at Linn County Animal Rescue. We're looking forward to the coming New Year and have several projects and initiatives in the works!

This year's Christmas horse is Roman.

Weighing in at 1800 lbs, this hulking and handsome black Percheron gelding is a favorite of everyone who comes to our "Healing Hearts with Horses" program.

Having been with us for several years, Roman has learned to trust people and it really resonates with those that spend time with him. He enjoys pets, kind words, carrots and is one of LCAR's true success stories.

Call us at 541-258-3422 and leave a message if you would like to help horses like Roman and get additional information on the programs we offer.

We recently acquired an abandoned sheep! She is a cutie and loves attention.

## Season of Giving

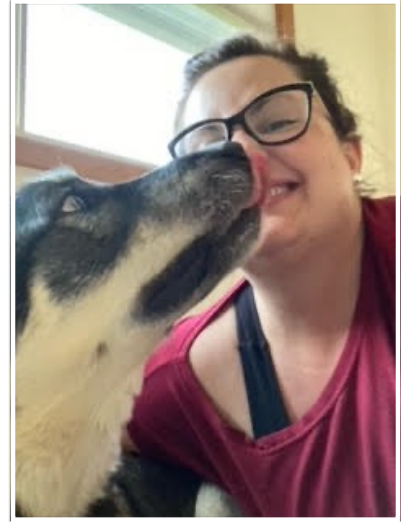

This is the season for giving year end donations to non-profits. Remember, LCAR is a 501c3 and gives tax receipts for any donation.

**Wish List:** Grain, Hay, Bedding Equipment, Fencing Materials, Lumber, Tin, Supplies, and Financial Donations

Donations can be made through our website, Network for Good, or mailed to LCAR, PO Box 2669, Lebanon OR 97355. We also accept items in-kind (lumber, grain, hay, fencing, grass seed, tin, farm equipment, and items we can sell at flea markets or garage sales).

## A New Home for Ziggy

One of our rescue dogs was recently adopted and is on the road to recovery in a wonderful new home. Isabel Fagoaga, a valued LCAR volunteer, adopted Ziggy while he was dealing with some significant vision issues and is happy to report that he's doing much better.

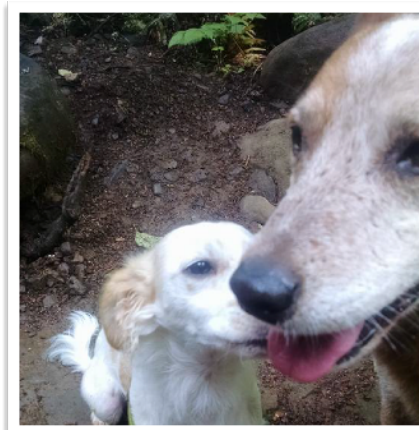

Not only has his health improved, but Isabel and Ziggy have developed a special bond that benefits both in immeasurable ways.

"I'm so grateful for him every single day, all day." says Isabel. "I just hope I can bring him at least some of the happiness he brings me."

## LCAR's Hospice Dogs

As many of you already know, LCAR has expanded our services to include hospice dogs from Linn County Animal Control. Sadly, the dogs we take in are the throwaways that get left behind in our fast moving, often neglectful society. Despite this, they are incredibly loving and it is an uplifting experience just to be around them.

It is our hope that each one of these dogs finds LCAR a warm and loving home where they can live out the remainder of their lives in peace, with the dignity they so rightly deserve.

In this giving season, please don't forget these wonderful dogs and all the neglected creatures that deserve our compassion. Please call 541-258-3422 or visit our website to find out more about how you can help.
