Gretchen's New Home

Gretchen, a small terrier mix dog, was left at Animal Control and having a tough time finding a new home. Because of her age (13-14 yrs), scruffy look and lack of care, the odds of being adopted were not in her favor. So, she was released from Animal Control and transferred to LCAR as part of our K-9 hospice care program.

John, one of our LCAR volunteers, grew attached to Gretchen's charming personality and decided to adopt her. According to John, she is now "Queen of the Castle" and keeps the household

hopping. After a bath and grooming she looks forward to a massage with coconut oil to complete the royal treatment. When Gretchen sits in John's lap she expects pets. If he doesn't deliver, she paws at his hand as if to say "keep going, why did you stop." It's safe to say Gretchen is right and home with John and they're both enjoying their newfound companionship.

LCAR's continued involvement with **Points for Profit** has really paid off. We were awarded 1st place and \$3,000 for our participation! We can't thank P4P enough for their continued support of non-profits like us.

Spirit Mountain Community Fund

LCAR has applied and received a very generous grant from Spirit Mountain Community Fund for the 2nd quarter of 2022. This grant will go toward an executive director position and operating capital for continued improvements. The board of LCAR and our volunteers would like to thank SMCF for continuing to support various nonprofit organizations!

Thank You Troop 21135

LCAR would like to thank Girl Scout Troop 21135 for their Silver Award and Take Action projects that involved designing and building two stall gates for our miniature horses. These gates are incredibly useful, allowing for better visitation with people during our Healing Hearts with Horses program. Great work Brytnee, Laura, Lily, Olivia, Shelby and Rachael!
