Oregon Farrier School Partnership

LCAR is very excited about our partnership with the Oregon Farrier School. They have done a fantastic job working with our horses so far and will be coming back on a regular basis to keep our animals hooves healthy. Thank you, Oregon Farrier School!

Points for Profit has been a sustaining force for LCAR and many other local non-profits. One way P4P helps is by offering incentives for saving receipts obtained when shopping at local businesses. These receipts are collected by the nonprofits and those who collect the most are awarded at P4P's annual banquet. This year LCAR was honored to receive 2nd place and receive an award of \$2000. We want to send a huge Thank You to all who saved their receipts for our organization! LCAR would also like to give a shoutout to our board member Laurie Smouse who received Volunteer of the Year 2022. Great job, Laurie!

Check with your favorite non-profit and ask how you can turn in your store receipts to help contribute. For additional info visit <https://pointsforprofit.org/>

LCAR's Newest Addition!

We'd like to introduce Mommy, LCAR's newest rescue horse! Mommy is a 25 year old paint mare who came to us underweight and desperately needing the love and care so many of our horses do. Despite her condition, she is very gentle and has already picked out another horse to bond with. Once she settles in, Mommy will also be the newest addition to our "Healing Hearts with Horses" program.

Volunteer Appreciation: Jill & Dan Bruns

Volunteers are the core of any nonprofit and LCAR is fortunate to have some of the best around. In this issue, we'd like to give special recognition to volunteers Jill and Dan Bruns. They have worked with horses for many years; bringing a great deal of knowledge and passion to our rescue. We are happy to have them both as part of our team and grateful for their many contributions.

Another Way to Donate

If you're interested in another way to donate to LCAR, please consider drawing up a pet trust when planning your estate. For more info visit -

Wish List: Grain, Hay, Bedding Equipment, Fencing Materials, Lumber, Tin, Supplies, and Financial Donations

Donations can be made through our website, Network for Good, or mailed to LCAR, PO Box 2669, Lebanon OR 97355. We also accept items in-kind (lumber, grain, hay, fencing, grass seed, tin, farm equipment, and items we can sell at flea markets or garage sales).

Albany YouthBuild + LCAR

LCAR has started a new partnership with Albany YouthBuild; a program offering youth an opportunity to receive skills training in a variety of different areas.

Recently, a YouthBuild crew came out to the rescue and took a certified chainsaw class. It was a great experience for the attendees and we appreciate all the work that went into removing trees from the property!

Say Hello to Arthur

Say hello to Arthur; a beautiful black and white, 10-year-old Border Collie who now calls LCAR his home. Arthur recently underwent surgery but will be ready for adoption once he has completely recovered. Gentle and easy to get along with, he'll be an excellent companion dog and great addition to someone's household.

Thank you, East Linn Christian Academy!

LCAR would like to thank 1st grade & whole school at East Linn Christian Academy in Lebanon for collecting bottles and cans on our behalf. The school collected 136 bags and because of their generous efforts we were able to deposit \$1500 for our rescued animals.

Don't forget that BottleDrop is an awesome opportunity to help our rescue animals and you can donate directly to Linn County Animal Rescue through your BottleDrop account (<https://www.bottledropcenters.com>). Speaking for those who can't, the animals appreciate any donation! Call Laurie Smouse at (541) 740-4401 to receive bags and tags, for pickup, or for additional information.
