Points for Profit is a sustaining force for LCAR and many other local non-profits. One way P4P helps is by offering incentives for saving receipts obtained when shopping at local businesses. These receipts are collected by the nonprofits and those who collect the most are awarded at P4P's annual banquet

Check with your favorite non-profit and ask how you can turn in your store receipts to help contribute. For additional info visit <https://pointsforprofit.org/>

Lots Happening in 2024!

The past year was full of positives, but also came with its fair share of challenges. The latter half of 2023 was dominated by issues related to LCAR's on-site well water that threatened our day-to-day operations. Thankfully, after much effort and help from Star Water and Ralph Hull, the problem has been solved! We are now back to enjoying plenty of fresh water and are able to provide the best accommodations possible for our animals.

New Year's Projects

LCAR is excited about several much needed upgrades to our facilities around the rescue. None of these would have been possible without the generosity and dedication of volunteers from across the community.

We recently completed work on a new roof over the outside dog kennels. This is a huge improvement for our pups, providing them with some extra comfort and shelter during the winter months. We'd like to send a huge thank you to the **YouthBuild** team for their assistance with this project!

Currently, we're installing some additional fencing near our driveway. This will provide more space for the animals to exercise, socialize with one another, and will be an overall benefit to their health and happiness.

Another Way to Donate

If you're interested in another way to donate to LCAR, please consider drawing up a pet trust when planning your estate. For more info visit -

To save the life of one animal will not change the world - but it will change the world for that animal!! Be kind to all life.

Kindness is not a hobby it is a way of life!

Barn Renovation

We were honored to have volunteers from **Barenbrug USA**, located in Tangent, OR, help on a barn renovation project at the rescue. They repaired and updated the right side of our old barn, making it fully useable once again. Thank you to Barenbrug USA and the material help from **Weyerhaeuser** and the local community. We are so grateful and know that this will have a profound impact on our ability to care for our animals.

Healing Hearts with Horses

Our Healing Hearts with Horses events will be starting again this May! They will be held at the LCAR facility on the fourth Saturday of each month from 1pm to 3pm. This program is for individuals with disabilities and PTSD and there is no cost to attend. The arena is fully accessible for wheelchairs and walkers.
